Co- Sponsored by:
NEW JERSEY EAPA CHAPTER

This two-day training offers 12 PDH credits and meets the 12-hour continuing education required every three years for current SAPs. Training is only **\$150 per participant**. So if you are re-certifying for your SAP, or if you are looking to acquire your SAP credential, this is the place to be! We will be covering the historical development and DOT requirements as well as learning from our peers about the requirements we face daily in our jobs. Case examples will be used to strengthen the material and training.
